Ariel's performance was outstanding.
This young lady has an amazing
voice, she is bound to do great things
in her life. I wish her the best in
everything that she does. We would
definitely hire her again.

I haven't heard a singer
this good, at the age of 15,
since LeAnn Rimes released
the smash hit 'Blue' while
being just shy of 14 in 1996.
Ariel is the real deal, and is
an artist to keep your eye on.
LeAnn Rimes went on to
win a Grammy Award for
'Blue' a wonderful song
penned by Bill Mack.
History just might be
repeating itself with
'Farther From The
Truth' by Ariel Franz.

- David Pugh,

Radio DJ / Promoter

Ariel is the kind of
artist who will only get
better with time.
